

Ohm Boy Apple Juice Ice Nic Salt Bar Edition Spec Ad

Ready to Sour Up Your Day with a Kicking Apple Icy Juice?

Apple Juice Ice Nic Salt is just the sour patch you need to cool yourself down and live a flavorsome experience!

Let's talk about it for a second.

Just. A. Second.

Apple juice Ice Nic Salt is an exhilarating blend. Think Granny smith and Alaska, in just one little bottle that you can carry **anywhere** you go. **Airport Security Friendly.**

It's a go for **all systems** including:

- Pod Systems
- Starter Kits

When you go to a pub you always look for locally brewed beer. When you go to a vape shop I would recommend you to look for a **locally created vape juice**, like Ohm Boy. **They're local.**

Available in 10mg and 20mg of nicotine!

And it can reach you all over the world if you're craving a taste from home.

More than 8,000 followers on instagram, they know what they're doing...

Jason. "Probably the best vape juice I've tasted."

Jen. "It's probably the nicest flavor I have tried ever. It's beautiful!"
