

Are you tired of scrubbing and not seeing the results you want?

Say hello to CIF and discover the secret to spotless surfaces!

CIF is a versatile effective cream cleaner. Cuts through grease and limescale leaving a brilliant shine!

If you're like me, then you love to come home to a clean and spotless kitchen, and after a long day at work all you want is to start filling up that shiny bathtub with sparkling bubbles!

That's what CIF can do for you with its micro-particles for use in the bathroom and kitchen.

Delivers beautiful results tackling burnt food, tough grease, soap scum and water marks.

Ideal for ceramic, plastic, enamel, stainless steel and vitroceramics.

“OMG!!! What kind of magic is this stuff? It makes light work of my dirtiest jobs! If you are questioning it, you should buy it. Just do it! You will not regret it!” Beth R.

“AWESOME CLEANER!!! Fantastic cleaner for kitchen and bathroom scouring. It does not leave a gritty residue and scrubs off stains, build up and grime. Highly recommend it.” NACR

CIF will make your life easier just like your best buddy!

After cooking a Sunday meal, you just need CIF, a sponge and some dedication.
